## Workbook Documentation

**Client(s):** Jake Wills

**Request:** [Referencing information sent 8 Oct 2019]  
Hi there,  
Can I please put in a further OIA request for updated data for this year from the July Roll Return please.  
Cheers,  
Jake

**Response:** List of schools and the Student Management System they use, from the July 2020 roll return.

**Extracted by:** Himali Kanji **Date:** 23-Sep-20

**QA/checked by:** Ben Cline **Date:** 23-Sep-20

**Notes:**

**Caveats:** **SMS data:** This data reflects what schools used to submit their July roll. They may have changed since doing so. Schools may have submitted their roll return via a manual Excel file, in which case they will not be listed with an SMS - this does not necessarily mean they do not have an SMS. Teen parent units' (TPUs) rolls are the responsibility of their Host School. The vast majority submit the TPUs data in the host schools file, meaning the TPU will be listed with no SMS, but this does not necessarily mean they do not use one.

**Approved for release by:** Cathryn Ashley-Jones **Date:** 26-Sep-20
